

SUMMARY

Motivated web development student pursuing a Bachelor of Computer Applications (BCA) degree with a strong passion for creating dynamic, full-stack web applications. Proficient in HTML, CSS, JavaScript, and experienced in using frameworks like React, Nextjs and Node.js. Committed to leveraging technical skills to contribute to innovative web projects.

EDUCATION

Bachelor in Computer Application

Jaya Multiple Campus | Gokarneswor, Kathmandu |
Expected Graduation Date : 2025

Business Management +2

Jaya Multiple Campus | Gokarneswor, Kathmandu |
Graduation Date: 2020

SKILLS

- Programming Languages: HTML, CSS, JavaScript
- Web Development Frameworks: React, Nextjs, Node.js, Express.js
- Database Management: MongoDB, MySQL
- Version Control: Git, Github
- Tools: Visual Studio Code, Postman
- Responsive Design: Bootstrap, Tailwind CSS
- Basic Knowledge: Java, PHP
- Operating Systems: Windows, Linux

CERTIFICATIONS

Javascript Algorithms and Data structures

freeCodeCamp | September 11, 2022

- Completed the freeCodeCamp certification in JavaScript Algorithms and Data Structures,
- Developed problem-solving skills and gained a strong understanding of algorithmic principles.
- <https://www.freecodecamp.org/certification/fccaa30e723-414d-4be1-966e-7543544f2058/javascript-algorithms-and-data-structures>

EXPERIENCE

PROJECTS

Full-Stack Ecommerce Website (Personal Project)

- Developed a responsive, full-stack ecommerce website from scratch using HTML, CSS, JavaScript, Redux toolkit, React, Nextjs, Node.js, and MongoDB.
- Implemented user authentication, product listings, shopping cart functionality, and secure payment processing.
- Utilized Git for version control.
- <https://eazy-shopping.vercel.app>

Chat Application (Personal Project)

- Developed a real-time chat application using Next.js for the frontend, Node.js, Express.js, and Socket.IO and MongoDB for the backend.
- Implemented a responsive and intuitive user interface with Next.js, HTML, CSS, and JavaScript.
- Integrated Socket.IO for bidirectional communication, enabling users to chat in real-time.
- Incorporated user authentication and secure connection protocols to ensure privacy and data integrity.
- Utilized Git for version control, facilitating collaborative development.
- <https://lets-chat.vercel.app>

Personal Portfolio Website (Personal Project)

- Designed and created a personal portfolio website showcasing my web development skills and projects.
- Utilized HTML, CSS, and JavaScript, React to build an interactive and visually appealing website.
- Implemented responsive design principles to ensure a seamless user experience across various devices.
